I hope everyone's doing well. If you're having any trouble booking in work, please get in touch with Lisa. As always, we have jobs listed here – take a look and see if anything that interests you.

If you're working at a practice who are looking for locums, please let them know about our service. The PM can contact Lisa with any vacant locum roles.

TRAINING AND EVENTS

Coaching Conversation Course

For those looking to expand their portfolio to include coaching, you may wish to book on to the Coaching Conversation Course, running on the **4th and 18th March 2025**, 9.15am to 5pm in St Austell.

This coaching conversations accredited training helps you to understand how to use coaching within a clinical or professional role. It shows when and where a coaching approach is effective and how you can use these skills in everyday conversations.

To book a place, visit the Primary Care Training Hub website at: <https://kernowhealthcic.org.uk/cornwall-training-hub/courses/course/coaching-conversations-4th-and-18th-march-2025/>

If you're a GP interested in Dementia Care, how about booking on to one of the well-loved Dementia and Delirium training sessions for 2025?

Visit the [Training Hub website courses](#) section, and search for dementia.

Upcoming Training Days

PILS - 25 April, 10am - 3pm

BLS - 19 March, 3.00 - 5pm and 6.00 to 8pm

ILS - 10 March, 10am to 3pm

KEEPING IN TOUCH:

Would you like to join the Kernow Health GP Locums Whatsapp group – it's mainly for last minute locum shout outs in the area, and some updates. We won't spam you!

[Follow this link to join.](#)

WHO TO CONTACT:

Do you have friends or colleagues who would like to be on this mailing list? If you know anyone working as a GP locum in Cornwall, please let them know about this mailing list. To be added, they should contact me.

lisa.rowe7@nhs.net

We welcome your suggestions and feedback so please feel free to get in touch. Thanks for reading and we will be back next week with more updates.

Rhiannon Day-Thompson,
GP Locum Ambassador

Lisa Rowe,
Staff Bank Co-ordinator

A SUMMARY OF WHAT OUR STAFF BANK DOES

This mailer is delivered to you by the staff bank team at Kernow Health. Here's some clarification on our role:

WHAT WE DO:

- act as a hub where practices can post jobs
- send a weekly mailer. Staff Bank Co-ordinator, Lisa Rowe, will post updated jobs and information every Monday. If you are interested in a shift, you should email Lisa who will put you in touch with the practice or liaise with the practice on your behalf.
- offer a HR check. This can make it easier for practices to employ you e.g. with short notice. This is non-essential, and you can still book a job without a Kernow Health HR check and organise this direct with the practice instead
- provide an inclusive community of practice for locum GPs, and also for those who are interested in locum work, or simply wish to be included in a community of practice (eg new to practice GPs, International Medical Graduates)
- connect doctors for peer support, CPD, social and wellness

WHAT WE DON'T DO:

- charge any fees to locum or practice (this service is funded by NHS England)
- set or cap your rate – you discuss and agree this directly with the practice
- we don't employ you – you are self-employed as is usual for locum work and your contract is direct with the practice
