If you're having any trouble booking in work, please get in touch with Lisa. As always, we have jobs listed here – take a look and see if anything that interests you. If you're working at a practice who are looking for locums, please let them know about our service. The PM can contact Lisa with any vacant locum roles.

ONLINE LEARNING, SUPPORT, AND RESOURCES

Join Jo Parry online for Advanced Menopause Practice on Wednesday 19/3/25 9:30-11:30.

Here's more information and a booking link <https://kernowhealthcic.org.uk/cornwall-training-hub/courses/course/advanced-menopause-practice-virtual-learning-19th-march-2025/>.

Did you know that Dr Jo Parry supports the Training Hub with A&G on menopause treatment. If you have a complex case and you need some help, email Jo Parry at the following address: kernowhealthcic.menopauseadviceandguidance@nhs.net

A further resource for Primary Care women's health is the recent Women's Health series on Primary Care Spotlight, Kernow Health's very own podcast, available on spotify and other streaming platforms. Browse episodes here: <https://www.buzzsprout.com/1893667/episodes>

Is learning dermoscopy is on your CPD plan this year?

Why not join the Exeter Dermoscopy course which starts on Thursday 20th March? This is a six session course delivered via Teams by the Exeter dermatology team. For more information and to book, see the following link: <https://kernowhealthcic.org.uk/cornwall-training-hub/courses/course/the-2025-exeter-dermoscopy-course-virtual-learning-starting-20th-march-2025/>

KEEPING IN TOUCH:

Would you like to join the Kernow Health GP Locums Whatsapp group – it's mainly for last minute locum shout outs in the area, and some updates. We won't spam you!

[Follow this link to join.](#)

WHO TO CONTACT:

Do you have friends or colleagues who would like to be on this mailing list? If you know anyone working as a GP locum in Cornwall, please let them know about this mailing list. To be added, they should contact me.

lisa.rowe7@nhs.net

We welcome your suggestions and feedback so please feel free to get in touch. Thanks for reading and we will be back next week with more updates.

Rhiannon Day-Thompson,
GP Locum Ambassador

Lisa Rowe,
Staff Bank Co-ordinator

A SUMMARY OF WHAT OUR STAFF BANK DOES

This mailer is delivered to you by the staff bank team at Kernow Health. Here's some clarification on our role:

WHAT WE DO:

- act as a hub where practices can post jobs
- send a weekly mailer. Staff Bank Co-ordinator, Lisa Rowe, will post updated jobs and information every Monday. If you are interested in a shift, you should email Lisa who will put you in touch with the practice or liaise with the practice on your behalf.
- offer a HR check. This can make it easier for practices to employ you e.g. with short notice. This is non-essential, and you can still book a job without a Kernow Health HR check and organise this direct with the practice instead
- provide an inclusive community of practice for locum GPs, and also for those who are interested in locum work, or simply wish to be included in a community of practice (eg new to practice GPs, International Medical Graduates)
- connect doctors for peer support, CPD, social and wellness

WHAT WE DON'T DO:

- charge any fees to locum or practice (this service is funded by NHS England)
- set or cap your rate – you discuss and agree this directly with the practice
- we don't employ you – you are self-employed as is usual for locum work and your contract is direct with the practice
