# Courses and resources

## **Dementia and Delerium training is coming to Truro!**

If you live and work near Truro, why not take the opportunity to attend this course:

“This is essential training for health and social care staff, at any level, who come into contact with people living with dementia or their carers.”

Course details: 8.30am - 4.30pm on Thursday 10th April 2025, at the postgraduate education centre at RCH.

## **Red Whale GP Update – 11th June 2025**

The Red Whale GP Update is returning for 2025 and taking place live on Wednesday 11th June! Please see the [course flyer](#) for further information.

This course is open to all clinicians working in General Practice in Cornwall or Kernow Health CIC. Cornwall Training Hub is subsidising course places through NHSE retention funding therefore, places will be available at a reduced fee.

### **What you get?**

- A highly engaging and interactive online course from the comfort of your home (or practice!) covering all the latest changes in evidence and guidelines relevant to primary care
- 12 months access to the extended on-demand course
- 12 months access to the online written resources with hundreds of articles
- A copy of the Spring / Summer 2025 GP Update printed handbook

To register your interest, please email [kernowhealthcic.workforce@nhs.net](mailto:kernowhealthcic.workforce@nhs.net) with your name, role, practice / organisation. If eligible, you will then be sent a discount code along with instructions on how to book this course via the Red Whale website.

# KEEPING IN TOUCH:

Would you like to join the Kernow Health GP Locums Whatsapp group – it's mainly for last minute locum shout outs in the area, and some updates. We won't spam you!

We welcome your suggestions and feedback so please feel free to get in touch. Thanks for reading and we will be back next week with more updates.

**Rhiannon Day-Thompson,**  
GP Locum Ambassador

**Lisa Rowe,**  
Staff Bank Co-ordinator

# A SUMMARY OF WHAT OUR STAFF BANK DOES

This mailer is delivered to you by the staff bank team at Kernow Health. Here's some clarification on our role:

## WHAT WE DO:

- act as a hub where practices can post jobs
- send a weekly mailer. Staff Bank Co-ordinator, Lisa Rowe, will post updated jobs and information every Monday. If you are interested in a shift, you should email Lisa who will put you in touch with the practice or liaise with the practice on your behalf.
- offer a HR check. This can make it easier for practices to employ you e.g. with short notice. This is non-essential, and you can still book a job without a Kernow Health HR check and organise this direct with the practice instead
- provide an inclusive community of practice for locum GPs, and also for those who are interested in locum work, or simply wish to be included in a community of practice (eg new to practice GPs, International Medical Graduates)
- connect doctors for peer support, CPD, social and wellness

## WHAT WE DON'T DO:

- charge any fees to locum or practice (this service is funded by NHS England)
- set or cap your rate – you discuss and agree this directly with the practice
- we don't employ you – you are self-employed as is usual for locum work and your contract is direct with the practice
