Leatside Practice-Redruth		July 3rd / 7th / 8th / 10th / 17th / 24th / 31st August 1st / 4th / 7th / 11th / 18th / 20th / 21st / 26th / 28th	Yes	Yes	
Leatside Practice-Redruth		September 4th / 11th / 16th / 18th / 25th / 30th October 27th / 29th / 30th	Yes	Yes	

If you're having any trouble booking in work, please get in touch with Lisa. As always, we have jobs listed here – take a look and see if anything that interests you. If you're working at a practice who are looking for locums, please let them know about our service. The PM can contact Lisa with any vacant locum roles.

# PRIMARY CARE HUBS - UPDATE

We have been informed that the primary care hubs are continuing for a further 12 months, which means we are still recruiting for clinicians if you are interested.

The Primary Care hubs are additional on the day appointments for patients with minor illness issues. The appointments are 15 minutes per patient and you have the benefit of choosing your work times and days to suit within the hours of 9am – 6pm Monday – Friday.

We have hubs open at the following sites:

- Ruby Medical Centre, Bude
- Launceston Medical Centre
- St Barnabus Hospital, Saltash
- Liskeard Community Hospital
- Tamar Valley Health, Callington
- Bodmin Community Hospital
- Carlyon Road Hub, St Austell
- Truro Health Park
- Mount Hawke Surgery
- Falmouth Health Centre
- Pool Health Centre
- Leatside Surgery, Redruth
- Helston Medical Centre
- Stennack Surgery, St Ives
- Newquay – Narrowcliff Surgery, Newquay Health Centre, Petroc's-St Columb, Petroc's – Padstow

Coming Soon – Morrab Surgery, Penzance

If this is something you would like to get involved with, drop me an email.

# KEEPING IN TOUCH:

Would you like to join the Kernow Health GP Locums Whatsapp group – it's mainly for last minute locum shout outs in the area, and some updates. We won't spam you!

[Follow this link to join.](#)

## WHO TO CONTACT:

Do you have friends or colleagues who would like to be on this mailing list? If you know anyone working as a GP locum in Cornwall, please let them know about this mailing list. To be added, they should contact me.

[lisa.rowe7@nhs.net](mailto:lisa.rowe7@nhs.net)

We welcome your suggestions and feedback so please feel free to get in touch. Thanks for reading and we will be back next week with more updates.

**Rhiannon Day-Thompson,**  
GP Locum Ambassador

**Lisa Rowe,**  
Staff Bank Co-ordinator

# A SUMMARY OF WHAT OUR STAFF BANK DOES

This mailer is delivered to you by the staff bank team at Kernow Health. Here's some clarification on our role:

## WHAT WE DO:

- act as a hub where practices can post jobs
- send a weekly mailer. Staff Bank Co-ordinator, Lisa Rowe, will post updated jobs and information every Monday. If you are interested in a shift, you should email Lisa who will put you in touch with the practice or liaise with the practice on your behalf.
- offer a HR check. This can make it easier for practices to employ you e.g. with short notice. This is non-essential, and you can still book a job without a Kernow Health HR check and organise this direct with the practice instead
- provide an inclusive community of practice for locum GPs, and also for those who are interested in locum work, or simply wish to be included in a community of practice (eg new to practice GPs, International Medical Graduates)
- connect doctors for peer support, CPD, social and wellness

## WHAT WE DON'T DO:

- charge any fees to locum or practice (this service is funded by NHS England)
- set or cap your rate – you discuss and agree this directly with the practice
- we don't employ you – you are self-employed as is usual for locum work and your contract is direct with the practice
