Register for the GP Update Online Study Day Live for Cornwall Training Hub, Kernow Health CIC

Our presenter will host the course live from our TV Studio, run interactive polls and Q&A sessions, and offer practical tools to help you change your practice straightaway.

Tuesday 9 June 2026 - 10:00 to 16:00

Email to register your interest: kernowhealthcic.workforce@nhs.net

Please include your name, role and practice in your email. If eligible, you will be sent a discount code along with instructions on how to book this course. Please note: this course is open to all clinicians working in General Practice in Cornwall or Kernow Health CIC. Cornwall Training Hub is subsidising course places through NHSE retention funding. Therefore, places are available at a reduced fee of **£73.16**. The printed handbook is not included in this course. Please include in your email if you would like to add a printed handbook (at a discounted cost of £45) to your order.

Topics we'll cover

Chronic heart failure

New NICE guidance with practice-changing updates to management.

Inflammatory bowel disease

How to support patients in primary care with the shift to newer treatments.

Falls

Applying NICE guidance on assessment and prevention.

Chronic cough

A new approach from BTS for persistent coughs.

HIV Testing

How primary care can help make a difference with health inequalities.

Nausea and vomiting in pregnancy

Updated RCOG guidance for investigation and management.
